Cancellation of the 14th European Conference on Surface Crystallography and Dynamics (ECSCD-14)

Due to the dynamic development in the spread of the coronavirus SARS-CoV-2 and the travel and quarantine restrictions put in action by the national governments and authorities, the ECSCD-14 organization committee, after consulting with the ECSCD scientific board, has decided to postpone ECSCD-14 until 2021.

We deeply regret this step, hope for your understanding for our decision and are looking forward to seeing you at ECSCD-14 in 2021.

With best regards,

Prof. Dr. Stefan Tautz
Organizer of the ECSCD-14
